CUTEST PET IN ALL THE LAND CHOSEN

The people have voted and the results are in - the cutest pet in all the land is Peyto! Voting was open for 1 week, and although the leaderboard shifted all throughout the week, Peyto finally pulled ahead on the last day to secure the winning spot. 1 1/2 year old Peyto is a golden retriever/german sheppard and is named after Peyto Peak in Banff. Springtime is the real new year; the period when with the new leaves all the world begins again. January, February and March are like prison walls to the spirit; April comes as a window opened, admitting sunlight and a patch of blue sky; then May bursts, the rainbow of the months, sent as a sign — a promise of fruition.

THANK YOU

Tansi Friendship Centre Society would like to thank George from Peace Country Rentals for providing us free rentals while we begin renovations at our new building, and also for his excellent customer service!

There was a period when our company's ownership was constantly changing hands, resulting in a new name for the business each time. After the latest regime and name change, I said, "We're going to need a new company sign out front." A colleague said, "We don't need a new sign; we need a blackboard."

Boater safety on the Peace River

A four-kilometre section of the Peace River is permanently closed to boaters during the construction of the Site C project. River users are advised to use extreme caution when on or near the river this summer due to strong undertows, especially in locations immediately upstream of the dam site.

Portage program: To move boaters around the construction area, a portage program for non-motorized boats will operate between the Halfway River boat launch and the Peace Island Park boat launch from May 15 to September 15. Reservations are required seven days in advance of pickup.

For more information visit sitecproject.com/boating or call 1 877 217 0777.

A customer's request to the general store in his vacation town: "I would like to reserve a New York Times, Star-Ledger, and Post for every Saturday, Sunday, and Monday from June 22 till Labor Day. However, we will be in Greece from July 1 to July 8. My son may or may not pick up the papers then, we don't know. We will be in Spain for two weeks in August. Not sure which two, though. We'll try to let you know. Oh, and we don't need the Times on any Mondays in July, except the 8th of July." The store's response: "Effective July... we will no longer be reserving newspapers."
