Truck slams into Dawson Creek Gym

Truck drives into Dawson Creek business, seriously injuring two women inside. Police say on Monday at approximately 9:45 p.m., police responded to a call regarding a possibly impaired driver. An officer located the described vehicle, a black GMC Sierra pickup truck, at the Esso Gas Station in the 700-block of 100B Avenue and attempted to conduct a traffic stop. The

vehicle allegedly took off, and the officer reportedly did not follow. Minutes later, it was reported that a truck matching the Sierra's description had been involved in a collision. Police say the truck went through an external wall and into the Fitness 4 Life business in the 11000-block of 8th Street. Two women inside the business sustained serious injuries in the collision and were rushed to hospital. The suspect fled the scene on foot and was not found by police. Dawson Creek RCMP officers are continuing to investigate numerous driving infractions, including flight from police, dangerous driving causing injury and failing to stop at the scene of an accident. IIO BC is investigating to determine whether police actions are linked to the women's injuries. As the matter is now under investigation by the IIO BC. Dawson Creek RCMP have issued a warrant for a male believed to be the driver of a vehicle that crashed into Fitness For Life on Monday.

June Kolosky

June 6, 1937 – March 24, 2021

Beloved Mother, Grandmother, Great Grandmother, Sister, Aunt & Friend

It is with heavy hearts we announce the sudden passing of June Martha Kolosky whom the Lord called home on March 24, 2021.

Born in Slave Lake, Alberta to Simon and Caroline McGillivray, June was sister to eight (8) Siblings; Florence, John, Clara, Jim, Margaret, Francis, Bill and Aline.

June married John and began their life together in Grande Prairie, Alberta on June 8, 1956, in 1958 the couple with their two daughters Debbie and Cheryl relocated to Little Prairie (Chetwynd) residing at Bon Siding where John worked in the Planer Mill. Shortly after, they welcomed three (3) more children; John, Laurie, and David and established their permanent homestead at Mile 17 on Jackfish Lake Road.

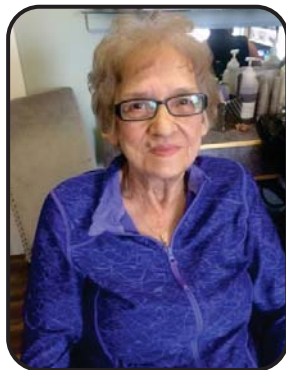

She owned and operated Chetwynd's first flower shop, June's Flowers and Crafts for a couple of years before moving on to her next venture, which was to enrich the community in which she had deep roots. June was an active member of the Community, she played an instrumental role in the formation of the Jackfish Community Association, serving as the first President and continued on as a volunteer Board Member for many years. She also served as President to the Chetwynd Royal Canadian Legion Branch 258 and the Tansi Friendship Centre volunteering her time towards enhancing community based services.

June loved living on the farm where the house was always full of family and friends who loved to gather around the table to enjoy a meal, play some cards or just to visit, she also treasured having the ability to just step out the door to sit by a campfire while she enjoyed her steeped cup of tea. When she wasn't busy hosting company herself, June was often travelling to visit family and friends both near and far.

June is predeceased by her Husband John, Daughter Debbie, Grandson Jeris, and Siblings Florence, John, Clara, Jim, Margaret, Francis and Bill.

She will be lovingly remembered and dearly missed by her Children Cheryl, John (Nicole), Laurie (Bob) and David (Kathy), her seventeen (17) Grandchildren and twenty (20) Great Grandchildren, Sister Aline, numerous Nephews & Nieces along with many other Family and Friends.

No services will be held at this time, a Celebration of Life will be held at a later date.

CHETWYND SECONDARY SCHOOL STUDENT LEARNING SURVEY

The Provincial Student Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents/guardians/caregivers, teachers and students on topics related to school environment, safety and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

Early in 2021, the Student Learning Survey will be administered to students grades 10 and 12, their parents/guardians/caregivers, and all school staff. We encourage parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The survey contains questions for the province – in addition, questions from the

school and/or district that focus on local conditions or issues may be included.

The survey can be completed electronically and can be accessed on the internet at http://www.bced.gov.bc.ca/sat_survey. Any computer with an internet connection can be used, and access to the e-survey is simple and secure. The survey can be accessed through the link with or without an anonymous logon code by selecting the school district and school name where your child attends school. Provincial, district and school reports for previous years can be viewed at the same site under the Results section.

The e-survey site will be open until April 30th. If you have any questions, please contact the school at 250-788-2267.

Boater safety on the Peace River

A four-kilometre section of the Peace River is permanently closed to boaters during the construction of the Site C project. River users are advised to use extreme caution when on or near the river this summer due to strong undertows, especially in locations immediately upstream of the dam site.

Portage program: To move boaters around the construction area, a portage program for non-motorized boats will operate between the Halfway River boat launch and the Peace Island Park boat launch from May 15 to September 15. Reservations are required seven days in advance of pickup.

For more information visit sitecproject.com/boating or call 1 877 217 0777.

I was walking down the street the other day when I saw my best friend Jeff. I walked up to him and mentioned that I had the craziest dream the other night. Jeff listened as I told him that the dream consisted of just one thing. A huge glowing number "5". It was made of gold and sparkled with shiny diamonds. Jeff's curiosity was peaked. I went on to say that the first thing that I did in the morning was to grab the daily racing digest and look up the 5th race.

Jeff raised an eyebrow. I told him that the #5 horse in the 5th race was named "The 5th Element." Jeff started grinning. Then I told him point-by-point what I did that entire day.

I ate 5 bowls of cereal for breakfast and drank 5 cups of coffee

I went for a 5 mile jog to clear my head

I took a 5 minute shower to rinse off

I dressed in the 5th suit I found in my closet

I sat in my car for 5 minutes before starting it

I drove to the racetrack and parked in the 5th stall in the 5th row

I entered through the 5th admissions gate

I bought 5 programs

I went to the 5th betting window and bet \$555 on the 5th horse in the 5th race

I went and sat in the 5th row of the bleachers making sure there were 5 people sitting on both sides of me.

I settled in and waited for the race to start.

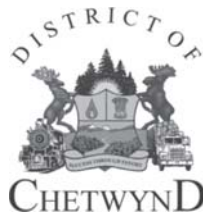

"Well," said Jeff. "Did your horse win??"

I frowned at Jeff and said, "Stupid horse came in 5th."
