Where Is Stan Fraser Now?

As promised in a previous edition of the Coffee Talk, we are keeping Chetwynd posted on the journey of Stan Fraser. Stan is the local man that is walking from Bella Coola to Winnipeg, to raise awareness for Mental Health.

On Monday Stan made it to Williams Lake BC and will be continuing his walk from there.

He says "some days are better than other days. On those days your stress is sometimes high or anxiety is getting uncontrollable. Your PTSD kicks in, oh and let's not forget your brain starts to take over. Now your thoughts are getting worse, uncontrollable and straight into a negative messed up spiral. All you can do is ride this out. Maybe think to yourself, if only I was a piece of wood I could crazy glue myself, or duct tape myself. It would be so much easier. Exactly what piece of material do people think humans are?"

He also says there have been some days that he has struggled with the lack of energy, but then he remembers why he chose to do this wal for the people who don't have a choice.

Stan also had quite the encounter with a grizzly bear while he was leaving the Bella Coola. The grizzly bear was about 5 ruler yards away from Stan when his partner Heather pulled up the truck and put it in between them. Stan happily jumped in the passenger side and closed the door. Let's just say that Stan won that day. If you are wanting to track Stan closer, please head to his page at www.walkandtalk4mh.com

Raspberry cheesecake semifreddo

No ice cream maker? No problem! Making this delicious frosted dessert requires no special equipment.

Start to finish: 4.5 hours (20 minutes active)

Servings: 10

Ingredients

- 1-1/2 cups fresh raspberries
- 1/4 cup sugar
- 1 tablespoon cornstarch
- 250 grams cream cheese, softened
- 2/3 cup sweetened condensed milk
- 1-1/2 cup heavy cream
- 1-1/2 tablespoon vanilla extract

Directions

1. In a pot, combine raspberries and sugar and cook over low heat until the raspberries release their juice.
2. Add cornstarch and continue to simmer for another 2 minutes, or until the mixture has thickened.
3. Using a stand mixer, beat the cream cheese until smooth and creamy. Add the sweetened condensed milk, cream and vanilla extract slowly. Continue to mix until the ingredients are well combined.
4. Pour about one-third of the cream mixture into a bread pan and top with half the raspberry mixture. Repeat with the remaining cream and berries, ending with a layer of cream. With a butter knife, distribute raspberry mixture using circular motions to create swirls.
5. Cover with aluminum foil and freeze for at least 4 hours. Remove from freezer 20 minutes before serving.

Try substituting blueberries, blackberries or strawberries for the raspberries, or use store bought jam to make this recipe even easier.

HOROSCOPE

FOR THE WEEK OF JUNE 19 To 25 2022

The luckiest signs this week: Taurus, Gemini and Cancer

ARIES In your love life, a new flame will declare their commitment to you. You may also consider the idea of living together or starting a family. You'll be very imaginative this week.

TAURUS It's time to spoil yourself. You'll be influenced by your friends to go shopping. Make sure you take time to pamper yourself; you deserve to have a good time.

GEMINI Whether you're single or in a relationship, someone at work will make romantic advances that leave an impression on you. You may also feel some pressure from those around you.

CANCER The summer holidays are just around the corner. You'll plan a trip for you and your family. Don't forget to bring a GPS or an old map if you're driving because you may not have any cell service.

LEO You'll be impressed by your children's grades in school and won't be able to refuse any of their requests. You should expect a family member to ask you for the moon, or at least for something beyond your understanding.

VIRGO If you're questioning your romantic relationship, you'll speak your mind to set the record straight. This honesty will allow you to deepen your love and take the next step forward together.

LIBRA You're thinking about starting your own business, which will eventually pay off. Although discreet and reserved, your soul mate will make themselves known. Be patient with your significant other, especially if they're not very graceful.

SCORPIO You must develop your self-esteem to make your way in the world. This applies to your professional, romantic and personal spheres of life. It's equally important to respect yourself.

SAGITTARIUS The night before a big move, you'll be pressed for time. Fortunately, you'll manage to be efficient and arrange your agenda to avoid delays, scheduling conflicts and other inconveniences.

CAPRICORN You'll have to drive your young children to and from their friend's houses during the summer holidays. You'll get a loan or negotiate a reasonable price for a major purchase.

AQUARIUS If your relationship lacks affection, you'll be eager to raise the subject with your partner and set the record straight. This openness will help improve your relationship.

PISCES You'll have a take-charge attitude with your employer or significant other. You'll take matters into your own hands to gain respect in all areas of your life.
